

Classrooms for Trail Cameras

Perform a school-wide fundraiser where each class raises money to purchase a Trail Camera for Project Neofelis to help track Clouded Leopards in the Wild!

START DATE: 08/04

Project Dashboard

Phase	Tasks and Status	Details
PREPARATION	<ul style="list-style-type: none"><input type="checkbox"/> Determine the number of classes or grades that will be participating<input type="checkbox"/> Set Fundraising Goal for each group<input type="checkbox"/> Determine which fundraising activity your school will do to raise money and for how long it will last	Camera Type: Browning Strike Force Pro X Trail Camera ~\$150 Fundraising can be done over extended period of time to allow for event-based fundraising
ROLLOUT	<ul style="list-style-type: none"><input type="checkbox"/> Begin Fundraiser	
POST-EVENT	<ul style="list-style-type: none"><input type="checkbox"/> Order Camera(s) and sent to Project Neofelis	Contact Us on our webpage with the subject line "Classrooms for Trail Cams"

Overview

One of the best ways to help Clouded Leopard Conservation is to help provide researchers with equipment to help learn more about this vanishing and elusive cat.

"Only if we understand, will we care. Only if we care, will we help. Only if we help, shall all be saved." - Jane Goodall

By bringing your school together, you can help play an active role in helping conservationists learn more about clouded leopards. These trail cameras will be set up in various countries so conservationists can determine population size, range, and learn more from observing their behaviors.
